

International Conference on Water & Wastewater Treatment

April 2010

University of Isfahan

Guidelines for Poster Presentation

All posters should be created in English.

¶ The poster panel

- Your poster must be prepared in an A0 "portrait" (width=841mm x height=1189mm) format. Your poster should have 25 mm margins around. It should be made with one page.

¶ Preparing your posters

- Make sure that your name, affiliation and contact information appear on your poster.
- Use "Times New Roman" fonts (size 24) for posters presented in English and an even larger for headings.
- Keep materials clear and concise. Produce material that is legible from a distance of at least three feet.
- Use a layout for your poster that follows the main headings used in your paper, objective, material and method, result and conclusion.
- Graphs, figures and tables should be clear enough.
